

Calling all individuals living with a life-limiting illness and their unpaid caregivers!

**Share your experience by participating in Statistics Canada's new study
Living with a Life-Limiting Illness: Access to Care and Related Experiences**

The purpose of this national study is to better understand your health care access and experiences. The results may identify areas for improvement to enhance the quality of care for people with serious illnesses across Canada.

Your participation is safe and secure. Please submit your completed online questionnaire as soon as possible:

www.statcan.gc.ca/LLLI-ACRE

Access the
questionnaire here:
