\* This questionnaire is intended to be completed by **foreign** shipping lines or by **their Canadian agents**. Canadian agents of foreign shipping lines perform shipping agency functions **on behalf of foreign** operated ocean vessels (see note # 1). Please give all information requested for ships entering ports under your jurisdiction, even if knowledge of their transactions in other ports is not complete. In the case of tramp and other casual vessels with which you deal, make estimates if necessary.

Montreal offices should report for all eastern Canadian ocean ports. Vancouver offices should report for all western Canadian ocean ports. **Please list below the ports covered:**

Please report the names of Foreign Ocean Shipping Lines covered by this report. Report also, for each shipping line, the country where operations are centered (location of the home office), see note # 1 for more details.

**Notes**

1. The **operator** of the shipping line is the enterprise that **controls** the operation and movement of the equipment. The operator is usually responsible for supplying a crew; maintaining equipment in proper worker order; and deciding when, and to which location, equipment will be moved. **The country of residence of the operator is, in other words, where the operations are centered.** This location may be different from the flag registration of the vessel operated or it could differ from the country of residence of the ship owner.
  
2. The other **European Union** countries includes: Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and since 2013, Croatia.
  
3. **Other OECD countries** include: Australia, Chile, Iceland, Israel, Liechtenstein, New Zealand, Switzerland and Turkey.
  
4. **“Inward”** means to Canada from points outside of Canada. Domestic coast-wise traffic as well as cargo unloaded in Canada destined for the United States is to be excluded. Include estimates of open voyage accounts at December 31 arising from voyages during the year.
  
5. Where the exact amount of prepaid freight revenue is unknown, please include an estimate to cover.
  
6. **“Total Expenses”** is intended to include all out payments in **Canadian ports** whether for outward or inward voyages where you act as agent, e.g. crew wages and advances, harbour charges, pilotage, towage, wharfage, stevedoring (inward and outward when paid by vessels), agency fees, marine navigation services fees, fuel and supplies, repairs, on-payment to rail, truck, water and other carriers on through-traffic if an amount corresponding to the on-payments has automatically been included in the vessels’ expenses.

**Comments or qualifications about the data reported above.**
