Statistics Canada Manufacturing and Energy Division Energy Section

Electric Power Generating Stations Annual Survey 2011

Confidential when completed

Collected under the authority of the Statistics Act, Revised Statutes of Canada 1985, Chapter S19.

Completion of this questionnaire is a legal requirement under this Act.

Version française au verso.

Schedule #6

Correct pre-printed information if necessary.

PURPOSE OF THE SURVEY

The purpose of this survey is to obtain information on the electricity generating capacity in Canada. This information is used by all levels of government in establishing informed policies in the energy area. In the case of public utilities, it is used by government agencies to fulfill their regulatory responsibilities. The private sector also uses this information in the corporate decision-making process.

CONFIDENTIALITY

Your answers are confidential.

Statistics Canada is prohibited by law from releasing any information it collects which could identify any person, business, or organization, unless consent has been given by the respondent or as permitted by the Statistics Act. The confidentiality provisions of the Statistics Act are not affected by either the Access to Information Act or any other legislation. Therefore, for example, the Canada Revenue Agency cannot access identifiable survey records from Statistics Canada.

Information from this survey will be used for statistical purposes only and will be published in aggregate form only.

DATA-SHARING AGREEMENTS

To reduce respondent burden, Statistics Canada has entered into data-sharing agreements with provincial and territorial statistical agencies and other government organizations, which must keep the data confidential and use them only for statistical purposes. Statistics Canada will only share data from this survey with those organizations that have demonstrated a requirement to use the data. For further information on data-sharing, please see the enclosed reporting guide.

RECORD LINKAGES

To enhance the data from this survey, Statistics Canada may combine it with information from other surveys or from administrative sources.

REPORTING INSTRUCTIONS

This schedule is to be completed and returned to Statistics Canada, 150 Tunney's Pasture Driveway, Manufacturing and Energy Division, Energy Section, Jean Talon Building, Ottawa, ON K1A 0T6 by April 30, 2012. If you require assistance in the completion of this questionnaire or have any questions regarding this survey, please contact us: Telephone: 613-951-5419 Fax: 613-951-9499.

To reduce your burden of response, the attached computer print-out contains the data on file for your station(s) as of December 31, 2011. We will continue to pre-fill this form unless otherwise notified.

All additions, deletions and revisions for the year 2011 should be made directly on the accompanying print-out.

Name-plate rating should be reported except where, due to permanent changes (such as an upgrade or a replacement), they would be inappropriate.

Please indicate if the unit is a standby facility (a unit whose operation is not part of the planned load).

FAX OR OTHER ELECTRONIC TRANSMISSION **DISCLOSURE**

Statistics Canada advises you there could be a risk of disclosure during the facsimile or other electronic transmission. However, upon receipt of your information, Statistics Canada will provide the guaranteed level of protection afforded to all information collected under the authority of the Statistics Act.

Please indicate the status of this return in the appropriate box.		CERTIFICATION – I certify that the information contained herein is substantially complete and correct to the best of my knowledge and belief.
