

Survey purpose

Part B - 2008 Annual Retail Trade Survey collects data on individual business locations.

Part B is designed to:

- update location information for the business unit covered by Part A;
- collect key information about your individual business location(s);
- avoid sending detailed questionnaires to each of your individual business location(s).

Confidentiality

Please see the enclosed guide entitled: Reporting guide, 2008 Annual Retail Trade Survey for information on confidentiality.

Data-sharing agreements

Please see the enclosed guide entitled: Reporting guide, 2008 Annual Retail Trade Survey for information on data-sharing agreements.

General guidelines

Please do the following:

- report only for those operations located in Canada;
- verify that the questionnaire number pre-printed on the top left corner of the attached form matches the questionnaire number pre-printed on the front of Part A. If they do not match, please call Statistics Canada at the toll-free number indicated below;
- verify that all pre-printed information is correct;
- report the name, address and relevant data for business locations which have been closed or opened. Make sure the appropriate reasons and dates for these closures or openings are also indicated in the columns "Part year operation" and "Date(s) for part year operation";
- ensure that the sum of total operating revenue of all locations on Part B must equal the total reported on Part A, page 2, question 9.

If you have any questions on how to complete this form, please call Statistics Canada toll-free at 1-888-881-3666.
