Purpose

The data you provide is used to prepare industry financial statements for the Canadian business sector and as an input into the calculation of gross domestic product, the national balance sheet and Canada's international investment position. This information is used by all levels of government, the private sector, analysts and the general public to understand current economic conditions. Selected results of this survey are available at www.statcan.ca (see catalogue 61-008-XWE and CANSIM tables 187-0001 and 187-0002.)

Confidentiality

Statistics Canada is prohibited by law from publishing any statistics which would divulge information obtained from this survey that relates to any identifiable business without the previous written consent of that business. The data reported on this provided will be treated in confidence, used for statistical purposes and published in aggregate form only. The confidentiality provisions of the Statistics Act are not affected by either the Access to Information A. For any other legislation.

Instructions for completing and returning the questionnaire and the Corporate Structure can be found on the last page.

Reporting Entity	\\\\\\
This report covers (please mark only one)	
a single corporation part of a corporation (e.g. branch, division, head office) a consolidated family of corporations other (please specify)	 If you have received a Corporate Structure, please review the list of entities and make any necessary corrections. The Corporate Structure lists the Canadian entities expected to be consolidated in this report. If you have not received a Corporate Structure and this entity is part of a Canadian consolidation, please check here
2. Does this reporting entity have investments in partnerships or joint ventures?	✓ Yes✓ No
3. Please explain any significant events, changes in accounting or basis of eporting, that have impacted operations since to eporting period (if needed, additional space is available in the comments section on page 9).	
Day Month	Year Day Month Year

Report only Canadian operations - please exclude foreign affiliates.

- Report all amounts in thousands of Canadian dollars "\$ 000s"
- Use parentheses to report negative values.
- If actual data are not available, estimates may be used.
- ◆ The term "affiliate" used in this questionnaire covers **unconsolidated**:
 - parent, subsidiary and related corporations
 - related joint ventures and partnerships
 - head offices, branches and divisions
 - directors, officers and individual shareholders

Affiliates are entities within a common family of corporations controlled or significantly influenced by the reporting company or another company within the corporate family.
