Information for Respondent

Survey Objective

This survey collects financial and operating data for the statistical measurement and analysis of the telecommunications industry. These data will be aggregated to produce national estimates of activity by industry. Those estimates are used by government, the private sector, international telecommunications organizations, academics, analysts, and the general public to better understand this sector's role in the social and economic fabric of Canada.

Authority

This quarterly survey is conducted under the authority of the St. tistics , ct, Revised Statutes of Canada 1985, Chapter S19. Completion of this questionnaire is a legal requirement under this Act.

Confidentiality

Statistics Canada is prohibited by law from publishin, or releasing any statistics which would divulge information obtainer irrun this survey relating to any identifiable business without the previous vriting consent of that business. The data on this questionnaire will be tre. 'eo 'n confidence, used for statistical purposes and published in aggi agate torm only. The confidentiality provisions of the Statistics Act are not affected by the Access to Information Act or any other legislation. Please note that Satistics Canada does not share any individual responses with the Canada Cusi, ms and Revenue Agency.

Data Sharing Agreements

To reduce response burden and to ensure more uniform statistics, Statistics Canada has entered into a data sharing agreement under section 11 of the Statistics Act with the Institut de la statistique du Québec, to share information from this survey concerning respondents' Quebec operations, and under section 12 of the Statistics Act to share information from all respondents with the Canadian Radio-television and Telecommunications Commission (CRTC).

The Quebec Statistics Act gives the Institut de la statistique du Québec the authority to collect the information requested in this report on their own and it contains the same provisions for confidentiality and penalties for disclosure of information as the federal Statistics Act.

Sucception 12(2) of the Statistics Act provides that where a respondent gives notice in writing to the Chief Statistician that the respondent objects the sharing of the information by Statistics Canada, the information not be shared with the department or corporation unless the department or corporation is authorized by law to require the respondent to provide the information.

The CRTC is authorized by law to require the respondent to provide the information under section 37 of the Telecommunications Act. Information provided to the CRTC will be treated in accordance with the requirements of section 39 of the Telecommunications Act.

Return Procedures

Please return the completed questionnaire(s) within 30 days of receipt in the enclosed envelope or by facsimile to (613) 951-9920. If you anticipate difficulty in making this deadline, please inform Statistics Canada of your expected filing date.

Reporting Instructions

Please complete all questions that pertain to your operations.

To reduce the chances of call-backs to verify data, please record "N/A" for those items that are not relevant to your company.
