INTRODUCTION

Survey Purpose

This survey collects data on capital and repair expenditures in Canada. The information is used by Federal and Provincial governments and agencies, trade associations, functions and international organizations for policy development and as a measure of regional activity.

Data sharing Agreements

Statistics Canada has entered into agreements with provincial and territorial statistical agencies for the charing of data. The data are kept confidential and used for subtistical purposes only. Your responses are not shared with Canada Revenue Agency.

Confidentiality

Statistics Canada is p ohic eo by law from publishing any statistics which would livulge information obtained from this survey that relates thank contifiable business. The data reported on this questionnaire will be treated in strict confidence. The confidentiality provisions of the *Statistics Act* are not affected by either the *Access to Information Act* or any other legislation.

Reporting Period Information

For the purpose of this survey, please report information for your **12 month fiscal period** for which the **FINAL DAY** occurs on or between April 1, 2009 and March 31, 2010. (*See reporting guide for examples*).

Return of Questionnaire

Please mail the completed questionnaire to **Investment and Capital Stock Division**, Statistics Canada, Ottawa, Ontario K1A 0T6, or by Facsimile: **(613) 951-0196** or toll free at **1 800 606-5393**.

Fax or Other Electronic Transmission Disclosure

Statistics Canada advises you that there could be a risk of disclosure during the facsimile or other electronic transmission. However, upon receipt of your information, Statistics Canada will provide the guaranteed level of protection afforded all information collected under the authority of the *Statistics Act*.

To Complete the Questionnaire, Consult the Reporting Guide

Instructions, definitions and examples can be found in the reporting guide. Reading these before completion can save you both time and effort in filling out this questionnaire. For additional information, please call us at (613) 951-9815, toll free at 1 800 345-2294 or by e-mail at Invest@statcan.gc.ca.
