Financial Information of Universities and Colleges

2006-2007

Purpose of the survey

The objective of the survey is to collect financial data concerning universities and colleges across the country. The information obtained will give associations and governments a better understanding of the financial position of universities and colleges in Canada and help in the development of policies in this sector.

Confidentiality

Statistics Canada is prohibited from publishing any statistics which would divulge information obtained from this survey that relates to any identifiable institution without the previous written consent of that institution.

The data reported on this questionnaire will be treated in confidence used for statistical purposes and published in aggregate form only.
