**COMPLETION OF THIS QUESTIONNAIRE IS A LEGAL REQUIREMENT UNDER THIS ACT.**

### Survey purpose

The purpose of this survey is to collect up-to-date information on stored grains and the crops you intend to seed this year. Your information may also be used by Statistics Canada for other statistical and research purposes.

### Confidentiality

#### Your answers are confidential.

The *Statistics Act* protects the confidentiality of information collected by Statistics Canada.

Statistics Canada is prohibited by law from releasing any information it collects which could identify any person, business, or organization, unless consent has been given by the respondent or as permitted by the *Statistics Act*.
