The purpose of this survey is to collect information on livestock. The statistics produced from the survey enable those active in the agricultural sector to observe and assess changes in the industry, measure performance and keep the agricultural community and general public informed of developments. The questions in Section C (Cattle and Calves Supplementary) are sponsored by Agriculture and Agri-Food Canada, to aid in the analysis of the cattle sector and the administration of the BSE adjustment programs including the Cattle Set Aside Program.

Statistics Canada is collecting information concerning the farm described on the label. If the operators of this holding manage any other farm(s) entirely separate from this farm (i.e., separate accounting books are kept), please do not include any data for the other farm(s) on this questionnaire.

**SECTION A.** When answering the questions, please include as of July 1, 2008 ...

... all livestock (cattle or calves, pigs, and/or sheep or lambs) on your operation regardless of ownership, including livestock custom fed, fed under contract for others and livestock pastured.

... all livestock owned by the operator and held on crownland, community pastures, and grazing projects.

... Please **DO NOT REPORT** livestock (cattle or calves, pigs and/or sheep or lambs) which are owned by you but kept on a farm, ranch or feedlot operated by someone else.
