INTERVIEWER: READ THE FOLLOWING STATEMENT CONCERNING JOINT COLLECTION AND DATA -SHARING EXACTLY AS WORDED. To avoid duplication of enquiry, Statistics Canada is conducting this survey jointly with Human Resources Development Canada and the provincial Ministries of Education and Labour. The information provided to these departments will not contain names or other identifiers and will be kept confidential and used only for statistical purposes. Do you agree to share your answers with these departments?

The purpose of the data sharing agreement is to reduce the number of organizations seeking interviews with the respondent and to reduce the cost of collecting information. Although the survey is voluntary and you may refuse to share your answers, agreeing to share information from the survey means that you may not have to provide similar information to the Ministries at a later date. The information provided to these departments will not contain your name, address, telephone number or other identifiers such as employer name. These departments are also obliged, under the data sharing and confidentiality provisions of the Statistics Act, to keep the data confidential and use it only for statistical research purposes. Do you agree to share your answers with these departments?
